PRESIDENTS REPORT: JAY BUSBY

- A. Dirk and Steve from TNT Safes were met at the range on September 17, 2018. Dirk and Steve removed and replaced all locks on safes with matching electronic touch pad locks. An estimate of \$250.00 was originally given for replacement of one lock. All four locks have been changed out for \$307.00. **Kern Shooting Sports would like to give a big thanks to TNT Safes.** (A check has been mailed.)

- B. Many complaints have been discussed with members of the Executive Committee members over the ability to obtain non-Jacketed ammo. A trial run will be put into effect at the Steel Challenge on October 13, 2018. The minimum distance will be 15 yards. Results will be brought up in October meeting.
- C. The insurance that the club has through the NRA covers any event that the club puts on.
- D. The new books that the NRA has printed for the classes are hard bound. These books are hard to use as they close automatically when laid flat.
